The above information is, to the best of my knowledge, true and accurate. It is understood and agreed that any error, misstatement or misrepresentation of fact, either with or without intention on my part, such as might, if known, cause a refusal of this application, or any alteration or change in plans made without the approval of the Zoning Administrator, subsequent to the issuance of the building permit, shall constitute sufficient grounds for the revocation of such permit. Nonconformance with permit information may also constitute a violation of the zoning ordinance, and as such, be liable for the penalties prescribed by law.

The contractor may also be liable for nonconformance of the zoning ordinance provisions.  
Building must be started within ninety (90) days or permit will be void.
