

McPherson County Drainage Commission
Minutes of Proceeding
July 2nd, 2019

The McPherson County drainage board met on Tuesday, July 2nd, 2019. Chairman Sid Feickert called the meeting to order at 10:45AM. Members present were: Anthony Kunz, Jeff Neuharth and Rick Beilke. Absent: Delmar Metzger. Others present were: Scott Schauer, Don Kallenberger, Austin Hoffman, Glenn Spitzer, Lanette Butler, and Jackie Kessler.

Lanette Bulter updated the board on the status of permit #19D-02. Butler sent a letter to the permit applicant requesting a detailed plan in writing for the proposed project with all involved parties signing off on the plan. No action will be taken until the requested information has been received.

The commission was informed of an unapproved drainage and/or approach project going on in the NW ¼ of Section 23 in 125-72 that is also affecting the county right of way. Deputy States Attorney Hoffman will send a cease and desist letter via the sheriff to stop work until the proper permits have been approved by the commission. Discussion was held on what the county could do/fees that could be charged when unpermitted projects are performed.

Scott Schauer met with the commission and asked to modify the project approved in drainage permit #14-1. To modify the approved project Schauer would need to apply for another drainage permit that includes the modifications.

At 11:00AM Kunz moved and Beilke seconded to adjourn the Drainage Commission meeting and resume meeting as the McPherson County Board of Commissioners. All voted in favor. Motion carried.
