Courthouse Hours Request

Employee request to consider changing courthouse hours from 8-5 with an hour lunch break to 8-4:30 with a half hour lunch. The hour lunch break is unnecessary 30 mins would be adequate to eat, and the extra 30 minutes would allow those that drive farther to get home earlier and, in the winter, to allow for more drive time during daylight. We would still vary the lunch break so the offices with 2 employees were open over lunch.

ARPA

allow Lindley Howard, McPherson County Auditor to elect the final rule allowing counties to use up to \$10 million of the ARPA Recovery Funds as "loss revenue" for the provision of the general government services without needing to use the Treasury revenue loss formula. The County has elected to use salaries and county paid benefits from all county funds except those funded by federal funds or otherwise paid for by funds other than the county, as an expense of the American Rescue Plan, in the amount up to \$10 million.
