

McPherson County Drainage Commission
Minutes of Proceeding
June 3rd, 2025

The McPherson County drainage board met on Tuesday, June 3rd, 2025. Chairman Sid Feickert called the meeting to order at 9:00AM. Members present were: Mike Mardian, Neal Woehlhaff, Mark Opp (via zoom) and Jeff Neuharth.

Discussion was held on Drainage permit #25-D-04 submitted by Scott Schauer to tile approximately 40 acres with the tile crossing 364th Ave (near the intersection of 364th Ave and 109th St) in the southeast corner of the field with the outlet in the grass waterway to the east in Section 15 T127N-R67W. The tile would be located in the SE1/4 of the SE1/4 of Section 16 T127N-R67W. The permit has been previously approved (25-D-03) with the stipulation that the applicant must bore under the road to cross 364th near the intersection of 109th and 364th. The applicant states the cost to bore under the road was exorbitant and is asking to hire the county to cut the road to allow him to install the tile. The county highway department is generally opposed to cutting open any county road.

Neuharth moved and Woehlhaff seconded to table any decision on permit 25-D-04 until the applicant can look for other boring companies and highway superintendent Glenn Spitzer can assess the area with the applicant. Upon roll call vote: Neuharth, Opp, Feickert, Mardian and Woehlhaff voted in favor. Motion carried. Discussion will continue at the next meeting.

At 9:15AM Neuharth moved and Mardian seconded to adjourn the Drainage Commission meeting and resume meeting as the McPherson County Board of Commissioners. All voted in favor. Motion carried.

ATTEST:

Lindley Howard

McPherson County Auditor

Sid Feickert

Chairman of the Drainage Commission
